

UNIVERSITY OF OREGON - PE & RECREATION – OUTDOOR PURSUITS PROGRAM
Equipment Requirements – OPP Outings

- **You MUST be equipped with ALL of the required items for the outing.** If you arrive without acceptable versions of ALL of the required items, you will not be allowed to participate.
- Your equipment must be properly fitted and in good working order.
- **Expect a very thorough gear check, during which you will need to show the instructor every required item.**
- Items left in the vehicles (or in the gear room) are NOT secure, and are NOT insured by the University! Do NOT leave keys, wallets or anything of significant value in the vehicles!
- Each participant will be expected to carry some group gear not itemized below, so please leave room in your pack.

Please note the following about the (*) and (**), and symbols:

(*) Layers must be wool or synthetic fabrics. NO COTTON!

(**) The O.P.P. may be able to provide these items; check with the instructor to confirm availability.

Minimum Gear Requirements for Excursions Away From Camp

On some outings, you may be required to pack the following kit for excursions farther than ¼ mile away from camp.

A. TO FIND YOUR WAY

- Topographic map to the instructor's specifications
- Orienteering compass
- Headlamp or flashlight – LED light recommended with fresh batteries

B. FOR PROTECTION FROM THE ELEMENTS

- Emergency shelter -poncho, tarp, bivy sack, space blanket, etc.
- 25' of 1/8" parachute cord to erect/stabilize shelter
- Knife to cut cord or help with building a fire
- Rain gear - head to toe
- Insulating layers in addition to what is worn for traveling comfort (synthetic or wool – no cotton):
 - Leg layer, torso layer (parka, vest, or thick fleece jacket), warm hat (must cover ears), gloves or mittens
- Sleeping pad or sit pad
- Windproof/waterproof matches/ fire starting device and fire starter fuel

C. FOR SUSTENANCE/HEALTH

- Food (for energy/heat) AND water (1 liter minimum)

D. IN CASE OF AN EMERGENCY

- Signaling and marking devices (whistle required; signaling mirror a good addition to kit)
- First aid kit (including personal medications and EpiPen if sensitive to insect stings, etc.)

E. RECOMMENDED – some items may be required at discretion of instructor

- Change of socks, an extra torso layer, sunglasses & sunscreen, metal cup or small pot, glowstick, camera, binoculars
